## B2B - LIKE NO OTHER

Service Providers will now have an **immediate volume of business opportunities in real-time**, facilitated by Agentic AI in a unique way

## THE OLD WAY OF GETTING SERVICES

~~taskrabbit~~

~~Thumbtack~~

~~Angi~~

No more searching through online catalogs, threads, calling numerous providers to make appointments. Companies that once led the way, will become irrelevant

## THE PACCO WAY

As a client, you have the money.. shouldn't the service providers come to you with their proposals?

MVP demo is ready for VC presentations
